1 ACKNOWLEDGEMENTS

1.1 You acknowledge and accept that:

- 1.1.1 in some circumstances LP may work with a partner who is an authorised intermediary of LP in relation to the marketing, licensing, integration, support or other services relating to the use of the Licensed Materials (“Partner”) and LP is not responsible for the acts or omissions of any Partner;
- 1.1.2 in order to use the Software, you must have downloaded and installed Microsoft Office 365 onto the same equipment on which the Software is to be used and that use of the Licenced Materials is conditional on you having read, understood and accepted the end user licence agreement relating to use of that installation of Microsoft Office 365;
- 1.1.3 the Software works with functionality provided by Microsoft Azure in the cloud and use of the Licensed Materials is conditional on you having read, understood and accepted the end user licence agreement relating to use of Microsoft Azure;
- 1.1.4 LP may change these terms at any time by sending you a written warning informing you of a change when you next use the Software. The new terms may be displayed on-screen and/or be provided to you via a hyperlink and you may be required to read and accept them in order to continue your use of the Software; and
- 1.1.5 internet transmissions are never completely private or secure and that any information you send using the Software may be read or intercepted by others, even if there is a special notice that a particular transmission is encrypted.

1.2 You agree that:

- 1.2.1 you shall comply with any obligation to be performed or observed by a user in accordance with this Licence; and

- 1.2.2 where you act as a customer of LP or its Partner, you shall procure that your users do likewise on the basis that you accept full responsibility for all acts and omissions by your users in respect of any breach of the terms of this Licence.
- 1.3 A Partner is not a "partner" in a legal sense, and only acts as an agent or reseller for LP.
- 1.4 Any words following the terms **including, include, in particular** or **for example** or any similar phrase or expression shall mean without limitation.

2 GRANT AND SCOPE OF LICENCE

- 2.1 In consideration of you agreeing to comply with the terms of this Licence, LP hereby give to you a licence to use the Licensed Materials on the terms of this Licence.
- 2.2 You may use the Licensed Materials for your internal business purposes only.
- 2.3 The Licence is a non-exclusive, non-transferable and non-sublicensable right and licence to use the Licensed Materials on the terms and conditions of this Licence in conjunction with the equipment and at the location and by the number and type of users and subject to such other conditions (such as page views), all only to the extent permitted or stipulated by LP or a Partner in writing.
- 2.4 The Licence is personal to you. You shall not permit any third party to use or have access to the Licensed Materials, except as expressly permitted by LP or its Partner in writing.
- 2.5 If the permitted equipment becomes inoperable, you may use the Licensed Materials on other back-up equipment on the condition that use of the Software on the permitted equipment is resumed in place of the substitute equipment as soon as reasonably practicable.
- 2.6 Other than as is permitted for the equipment and users for whom you have bought the Licence, you shall not copy the Licensed Materials without the prior written consent of LP, provided that you may make copies as back-up for your operational use of the Software to the extent that you reasonably need. All copies shall remain the property of LP, and you must ensure that they bear the copyright and trade mark notices of LP or its licensors. You must keep a record of your copying of the Licensed Materials and shall produce that record to LP on request.
- 2.7 You shall ensure that the copyright and trade mark notices of LP or its licensors prominently appear on all Licensed Materials. You shall not change, remove or obscure any labels, plates, insignia, lettering or other markings which are on the Licensed Materials.
- 2.8 "Use" of the Software in this Licence means use only that is in machine-executable object code form and not in human-understandable source code form, except to the extent:
 - 2.8.1 that the Software delivered to you is intentionally delivered in a human-understandable source code form; or
 - 2.8.2 otherwise permitted by or on behalf of LP in writing.
- 2.9 Except to the extent permitted by law or as otherwise expressly set out in this Licence, you shall have no right to copy, rent, lease, loan, modify, adapt, merge, reverse engineer, decompile, disassemble, translate or create derivative works of the Software or use the source code to the Software in whole or in part. The interface information necessary to achieve interoperability of the Software with independently created computer programs will be provided by LP or its Partner on request on payment of LP's or its Partner's reasonable costs and expenses for procuring or supplying that information. In the event that you are not provided with such information within a reasonable time following your reasonable request, you may take such steps as to achieve interoperability provided that you shall only

reverse engineer or decompile to the extent permitted by law and provided that the information obtained by you during such activities:

- 2.9.1 is used only for the purpose of achieving interoperability of the Software with another software program;
 - 2.9.2 is not unnecessarily disclosed or communicated to any third party without LP's prior written consent; and

You must not attempt in any way to remove or circumvent such measures, nor to apply, manufacture, import, distribute, sell, let for hire, offer, expose or advertise for sale or for hire or have in your possession for private or commercial purposes, any means whose sole reasonable purpose is to facilitate the unauthorised removal or circumvention of such measures.
- 2.11 You must not alter or modify the Licensed Materials or permit them to be combined with any other software, except to the extent permitted in writing by LP.
- 2.12 You may use the Licensed Materials only for processing your own data in the normal course of your business, unless otherwise expressly agreed by LP in writing.
- 2.13 You shall keep the Licensed Materials (and all copies) secure.
- 2.14 You shall not allow any third party to access the Licensed Materials, and shall not use the Licensed Materials on an outsourcing or service bureau or application service provider basis without the prior consent in writing of LP.
- 2.15 You shall maintain records of the number and location of all copies of the Licensed Materials and you shall take all reasonable precautions to protect the Licensed Materials from unauthorised copying or use.
- 2.16 The Software may incorporate third party software. You agree to comply with any software licence terms of such third party software licensor as are identified by LP and to provide such assistance, co-operation and information to LP in relation to that third party software.
- 2.17 You shall permit a nominated Partner of LP, LP and its licensors, agents, representatives, sub-contractors and employees at all reasonable times and on reasonable notice to enter such places and inspect such equipment under your or your agents', employees', contractors' or customers' control to verify that you are complying with the terms of this Licence and that you and your agents, employees, contractors and customers are not infringing this Licence.
- 2.18 If you are, or any user for which you have taken responsibility for is, in breach of this Licence, LP may disable access to any Licensed Materials at any time and without notice whether by use of code in the Licensed Materials, by remote access or by physical attendance at the places referred to in Paragraph 2.17 or where the equipment is located.

- 3.1 Both you and LP will comply with all relevant requirements of the Data Protection Act 1998, the General Data Protection Regulation and any other applicable law relating to data protection in the UK (“**Data Protection Legislation**”). This clause is in addition to, and does not relieve, remove or replace, a party’s obligations under the Data Protection Legislation.
- 3.2 The parties acknowledge that for the purposes of the Data Protection Legislation, you are the data controller and LP is the data processor in relation to processing Personal Data (where **Data Controller**, **Data Processor** and **Personal Data** have the meanings as defined in the Data Protection Legislation).

- 5.3 The warranty does not cover defects caused by repair, adjustment, alteration, change or modification to the Software, or attempt at doing so, other than by LP, or by the combination or incompatibility of the Software with any equipment, hardware, operating system or third party software not expressly approved by LP.
- 5.4 You acknowledge that the Software may not be free of errors or bugs and you agree that the existence of any minor errors shall not constitute a breach of this Licence.

- 5.5.1 for LP, or its Partner, to use its reasonable endeavours to repair or replace the Software, provided that you make available all information and co-operation that may be necessary to assist LP or its Partner in resolving the defect or fault, including sufficient information to enable LP or its Partner to recreate the defect or fault; or
- 5.5.2 subject to you returning to LP or destroying (as LP directs) all copies of the relevant part of the Licensed Materials, for you to obtain a refund from LP or its Partner for the fee you paid to LP or its Partner in respect of the Software (in which event this Licence shall automatically terminate).

Each party acknowledges that it has not entered into this Licence based on any representation that is not expressly incorporated into this Licence.
